Dive deep into the world of cryptozoology with John Grover's new mystery adventure, “Slipping Through: The Lockwood Cryptid Chronicles Book 1.” Drawing inspiration from his personal love for monsters and the supernatural, Grover takes readers on a riveting journey filled with suspense, action, and hair-raising encounters with the world's most elusive cryptids.

Ever since he was a boy, Cord Lockwood was intrigued by Bigfoot sightings. His life took a dramatic turn when he had a personal encounter with the creature, setting him on a path of relentless curiosity. Alongside a young protégé with similar experiences, Cord encounters a myriad of cryptids like the spine-chilling Chupacabra and the legendary Loch Ness Monster. But when Cord stumbles upon a secret he was never meant to uncover, danger lurks around every corner, leading him to a life-altering realization – never venture into the woods alone!

Dare to believe, but venture with caution.

Fans of popular shows like “Finding Bigfoot” and “Expedition Bigfoot” will be captivated by Grover's gripping narrative and compelling characters. His deep-rooted love for the paranormal shines through, drawing from inspirations like “The Twilight Zone,” “X-Files,” and “Night Gallery.”

“Read this one if you like stories about bigfoot/sasquatch or any other creatures that people have seen, but can't find any evidence to support what they've seen.” – Mike D., Amazon Review

“Slipping Through: The Lockwood Cryptid Chronicles Book 1” promises to be a cherished addition to the bookshelves of Bigfoot hunters, paranormal networks, and cryptozoology communities. If you've ever felt the thrill of chasing legends or yearned to know more about the world's most mysterious creatures, this book is your next must-read!

About the Book

In the silent depths of the woods, some legends refuse to remain hidden. Cord Lockwood's childhood obsession with Bigfoot turned into reality one fateful night, forever altering the course of his life. Years later, alongside a young protégé with hauntingly similar experiences, Cord plunges into a world where myth becomes truth and folklore lives. From the elusive Chupacabra to the enigmatic Loch Ness Monster, danger lurks at every turn, and a dark secret awaits discovery—a secret that might cost Cord everything.

In John Grover's "Slipping Through," the line between the known and the unknown blurs. Remember: in these woods, you're never truly alone.
